

**Please fill out this form if you wish to make a donation
to the Nicola Coles Oncology Fund**

UCLH Charities is the main charity associated with University College London Hospitals NHS Foundation Trust. It is registered with the Charity Commission, registration no. 229771 and the trustees of the charity are appointed by the NHS Appointments Commission.

If you wish to make a donation in memory of Nicola, please fill out your details below and return this form with your donation to UCLH Charities, The Trustees Dept., 1st Floor, Maple House, 149 Tottenham Court Road, London W1P 9LL.

Cheques should be made payable to:- UCLH Charities (0887). It is important that you mark the back of cheques to say they are for the Nicola Coles Oncology Fund.

It is also possible to make a donation through bank transfer to:

Account name:	University College London Hospitals Charities (Fund 0887)		
Bank:	Coutts & Co	Address:	440 The Strand
Sort Code:	18-00-02	Acc. number:	08324530

Please identify any donations as for the Nicola Coles Oncology Fund.

Details of Donor:

Title _____ Forename _____ Surname _____

FULL HOME Address _____

_____ Post Code _____

Telephone Number _____

The Gift Aid scheme allows UCLH Charities to reclaim the tax you have already paid on your donation at no extra cost to you. With gift aid your donation can be worth 28% more to the Charity. If you would like to help this way – and you pay UK Income Tax or Capital Gains Tax at least equal to the amount we will claim in one year – simply sign below and ensure your name, full home address and postcode are correct (it is essential we have your full home address to enable us to claim Gift Aid).

I wish for my donation to qualify for gift aid:-

Signed: _____ Date: _____

The Charities for the Eastman Dental Hospital, Elizabeth Garrett Anderson Hospital, The Heart Hospital, Hospitals for Tropical Diseases, The Middlesex Hospital, National Hospital for Neurology and Neurosurgery, Royal London Homeopathic Hospital, St Peter's Hospital and University College Hospital
